Galvanised Steel

Security Fencing

Secure Your Property with High-Strength Steel Fencing

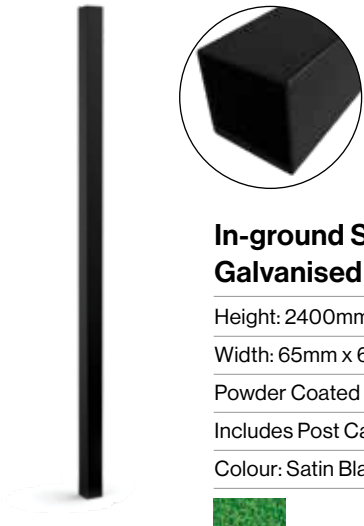

Our security fencing is a versatile solution suitable for residential, commercial, or boundary fencing.

Engineered for maximum strength and durability, it can be manufactured to meet the requirements of schools and other public spaces.

The black powder-coated finish is backed by a 10-year warranty*, while the product itself comes with a 12-month warranty*

***Warranty Disclaimer** The 10 year warranty on the powder coating is not applicable if the powder coating has been compromised: If product is compromised (by mishandling or exposure to harsh chemicals, high humidity, salt water or pollutants etc.) the base metals can become exposed and rust. Failure to protect the product from these hazards will void the warranty.

Step 2. Select your post

In-ground Security Post Galvanised Steel

Height: 2400mm
Width: 65mm x 65mm x 2.5mm SHS
Powder Coated
Includes Post Cap
Colour: Satin Black
